The online Master of Social Work (MSW) is designed to prepare students for advanced social work practice with individuals and families. You will learn the clinical, organizational, and policy skills needed to promote social justice and equality, and to enhance the quality of life for all people. Foundation courses emphasize knowledge, skills, and values needed for a strengths-based approach in social work practice. Advanced courses address professional direct practice with individuals and families. Fieldwork in your community provides opportunity to practice what you’re learning in the classroom.

To be eligible for the Online Master of Social Work program, you must have the following:

- Bachelor’s degree from a regionally accredited institution
- Cumulative GPA of 3.0 or higher during the last two years of academic study or an overall undergraduate GPA of 3.0 or higher
