Setting up your myBoiseState Student Account

   a. Select Future Students/Guests.

2. From the myBoiseState Guest homepage, select Reset/Create Password.
3. To set your password, complete the form using your username, student ID, date of birth, social security number. Create a password using the criteria listed on the right.

**HINT:** Keep in mind this password will be used for nearly all your accounts at Boise State and will expire every 90 days.

4. Once you complete this step, return to [http://my.boisestate.edu](http://my.boisestate.edu) and select Log in.

5. Enter your student username and password and select **Log In**.
Setting up your myBoiseState Student Account

6. Once logged in to your student account, select the Student View button to access additional account options.

7. From the Student View Services Menu you will be able to access BroncoMail, your student email account.
