Our online Bachelor of Business Administration in Management will help you become an innovative leader in the workplace. Coursework emphasizes current, real-world skills like design thinking, digital competence and innovation, ensuring that you’ll become more than just a functional manager. The program builds on the foundation of your past college coursework and business experience to expedite completion of your degree. The coursework is also available fully online in both a full-time or part-time format to fit your schedule. Get in touch with a Student Success Coach today – we’re here to help you move forward.

To be eligible for the Online Management program, you must have:

- An associate’s degree or a minimum of 60 transferable credits from a regionally accredited college or university
- 2.5 cumulative GPA in previous college courses

Boise State Online?

- $350 per credit
- No out-of-state tuition
- Full- or part-time schedule
- AACSB accredited
- 100% online
- Interactive learning experience
- Sharpens real-world skills like digital competence and innovation

Students Say:

“The instructors are incredibly helpful. I have taken online classes at an additional 2 institutions. My Boise State professors responded faster and were more helpful than any other online class I have taken.”

“I loved meeting people across the country!”
