STUDENT SUPPORT
- Personal Support
- Our supportive advising team is just a phone call away from application through graduation
- Quality Programs
- Our online programs offer the same quality content as on-campus courses. And no “online” designation appears on your diploma.
- Affordability
- All of our online courses are offered at affordable per-credit rates, and financial aid is available
- Interactivity
- Our faculty work with a team of instructional designers to create interactive courses, giving you the tools to build an online community with fellow students.

AFFORDABLE PER-CREDIT

7 FLEXIBLE SCHEDULES

Many programs offer full-time and part-time options, giving you the flexibility to choose the schedule that fits your busy life.

7,908 full-time students
17,9 part-time students
