Our online Bachelor of Arts in Public Health is designed for people with a passion for health advocacy and promoting social change. Once you’ve completed your degree, you’ll be equipped to promote disease prevention and healthfulness in your community. Your studies will build critical thinking, communication and analytical skills for a broad-ranging public health perspective. Best of all, the degree is 100% online and offered in both full- and part-time options to fit into your busy life.

To be eligible for the public health program, you must:

• Be accepted to Boise State University
• Have at least 60 credits from a regionally accredited institution with at least a 2.25 GPA OR have an Associate of Arts or Associate of Science OR have core certification from a regionally accredited institution with a cumulative GPA of 2.0 or higher

WHY BOISE STATE ONLINE?

• $344 per credit
• Regionally accredited
• 100% online coursework
• Complete in under two years with full-time enrollment
• No in-person or on-campus requirements
• Individual advising and success coaching
• 60 online credits for program
